Figure 10-10 is a detailed mechanical drawing of a rectangular assembly. The drawing includes dimensions for overall size and component placement. A table in the top left corner provides additional information.

ACCESSORIES, AND DRAWING.
PAINT IS ION
PAINT SHIPPED

The drawing shows a rectangular assembly with the following dimensions and components:

- Overall Dimensions:**
 - Width: $22\frac{1}{2}"$
 - Height: $15\frac{1}{2}"$
- Component Placement:**
 - Component A:** Four circular components labeled 'A' are positioned at the corners of the assembly.
 - Component B:** A circular component labeled 'B' is located in the upper right quadrant.
 - Component C:** A circular component labeled 'C' is located in the lower right quadrant, enclosed in a rectangular box.
 - Component D:** A small square component labeled 'D' is located on the right edge, adjacent to component C.
 - Component E:** A rectangular component labeled 'E' is located in the lower left quadrant.
- Dimensions:**
 - Horizontal dimensions: $8"$, $18\frac{1}{2}"$, and $22\frac{1}{2}"$.
 - Vertical dimensions: $11\frac{1}{2}"$, $21\frac{1}{2}"$, $15\frac{1}{2}"$, and $13\frac{1}{2}"$.
 - Other dimensions: $8\frac{1}{2}"$ (width of component E), $1\frac{1}{2}"$ (width of component D), and $2\frac{1}{2}"$ (width of component C).

Technical drawing of a rectangular box with the following dimensions and features:

- Overall width: 61" OUTER
- Inner width: 60" INNER
- Overall height: 33 1/2" OUTER
- Inner height: 33" INNER
- Bottom flange: 4" HIGH PRESS BROKE LEGS
- Bottom flange width: 24" (center-to-center of legs)
- Bottom flange thickness: 2"
- Bottom flange material: D
